About Me

CSE student at Patuakhali Science and Technology University with a passion for app development and real-world tech solutions. Focused on Android, programming, and growing through hands-on projects.

Skills

- Languages: C, C++, Java
- Tools: NetBeans, XAMPP, Android Studio
- Productivity: MS Word, PowerPoint, Illustrator
- Technical: Electronics soldering and basic hardware repair

Education

- B.Sc. in CSE – Patuakhali Science and Technology University (Ongoing)
- HSC – Govt. Edward College, 2022

Experience

Freelance Presentation Designer – Coder Vai. Designed clean and modern [PowerPoint presentations](#) for client projects. Ensured clarity, branding, and visual impact.

Project

Game Library App- Developed an Android app using Java and MySQL (via XAMPP) that lets users manage and view their personal game collections.

Certificates

- Advanced Java (80-hour EDGE Project, Sept–Oct 2024)
- AutoCAD Electrical – From Beginner to Expert
- Computer Hardware Basics

Future Goal

To excel in Android development, backend/database systems, and establish a strong freelance presence through impactful tech projects.
